Your Money Your Projects

Your Money, Your Projects is an exciting new Telford & Wrekin Council initiative for 2011. A pot of money totaling £54,000 has been earmarked for the project and with 33 wards in Telford and Wrekin covered by 54 Ward Councillors; £1,000 will be available to each Ward Member to put forward proposals for their area. The fund is based on the principle that a small amount of funding can make a big difference in local areas and that local people know what is needed to improve and embellish their area.

We all know the *Ironbridge Gorge* ward of Telford & Wrekin is a large area containing the diverse communities of Coalbrookdale, Coalport, Ironbridge and Jackfield, and I would like to come up with a project which benefits all these communities equally and perhaps brings them together. Various suggestions have been made such as bulb planting and footpath improvement, but I would be interested in hearing any good ideas or suggestions that residents of the Ward might have. The funding available is the £1,000 which I can allocate, as above, and I am hoping that the Gorge Parish Council would match this if it agrees on a suitable project, making a possible maximum of £2,000.

I look forward to hearing your ideas for improving our unique and special part of the World.

Cllr Dave Davies

Telford & Wrekin Council

The Gorge Parish Council

Your Money, Your Projects

Telford & Wrekin Council has decided to make available a small fund of £1,000 per Ward Councillor to be used on a community, common benefit project within each Ward of the Borough.

Horsehay and Lightmoor Ward covers a wide area, from the established communities of Horsehay and Doseley to the new builds in Lawley and Lightmoor Village. As the ward has two Councillors, this equates to a total possible fund of £2,000. Whilst this is insufficient for anything but modest schemes, if it is not spent in our Ward it will be lost.

We need your thoughts and ideas please before the end of October for a small project which could be of benefit to all.

Please contact me by letter, email or telephone with your suggestions, the more the better.

Festive Weekends at Blists Hill Victorian Town 10-11 and 17-18 December

Residents at Blists Hill Victorian Town, in the Ironbridge Gorge World Heritage Site, Shropshire, will be busy preparing for Christmas over the two weekends of 10-11 and 17-18 December. Go along to experience the atmosphere of a bygone era and you will be treated to an array of traditional celebrations from the 1800s, listen to stories of life more than 100 years ago, and have a chance to do some Christmas present shopping.

Gifts on offer around the town will include traditionally made cast-iron paperweights and doorstops, handmade plaster decorations and even rocking horses, all produced in the Gorge by skilled craftsmen and women. There will also be a huge range of unusual items in the museum gift shop.

Mr Morton's Christmas Celebrations will once again see the magnificent Iron Rolling Mill transformed into a place for a 'workers Christmas party'. Here visitors will be able to enjoy festive food (extra) and a wide variety of seasonal entertainment, such as Christmas songs and stories, Punch and Judy and even a magic show. You can also sing-a-long with carol singers and listen to brass bands around

the town, which will be festooned with Christmas decorations as the townsfolk prepare seasonal goodies and make traditional Victorian presents.

Families will have the option of visiting Father Christmas (extra charge) and can help Bob Cratchet find the Twelve Days of Christmas that Mr Scrooge has hidden around the town, by following a fun trail. Across on The Green, they will also be able to see and pet Father Christmas' reindeer before their mammoth journey around the world on Christmas Eve.

These special Christmas events will take place during the weekends of 10 - 11 and 17 - 18 December when Blists Hill is open from 10am to 4pm. Passport Tickets are not valid for Blists Hill Victorian Town Christmas events. Entry is £14.95 adults, £11.95 for 60 plus, £9.95 children 5- 18 years in full time education and under 5s free. New for 2011 is a family ticket (two adults and two children) at £45.

For further information, contact the Ironbridge Tourist Information Centre on Tel: 01952 884 391 or visit www.ironbridge.org.uk.

Christmas lights Switch on and Christmas Market Saturday 19th November 2011.

This year the Christmas lights partnership working with Telford and Wrekin Council's markets team has applied for a road closure meaning the market will be larger than last year and the switch on audience will be able to stand in the road giving everyone a better view of the entertainment.

The Parish Council has been working with The Rotary Club team who organise the Tree of Light scheme and this year there will be a list of people remembered via the tree of light in the window at Truffles Café on The Wharfage. Please go along and look from Mid November until after Christmas. There will be a warm welcome for everyone at Truffles.

The Rotary Club will be including an application form to participate in the Tree of Light project in the Winter edition of the Gorge Gazette. There will be more information about the Switch on event and the Christmas Market in that edition too.

Fireworks Extravaganza Victorian style at Blists Hill: Saturday 5th November

Blists Hill Victorian Town in the Ironbridge Gorge, Shropshire will open its doors at 6pm on the evening of Saturday, 5th November for a spectacular fireworks extravaganza.

Visitors will be able to enter Blists Hill to see the town's streets illuminated as they would have been in the 19th century. The shops, cottages and workshops will be open and visitors can talk to the 'resident' Victorians, dressed in the costume of the day, who will answer questions about life in the late 1800s. Blists Hill Victorian Town's Canal Street is also sure to be a popular attraction, with its Sweet Shop and Fried Fish Dealers.

This year's fireworks extravaganza will be best viewed from the Village Green; as always there will be a brilliant display over the Ironbridge Gorge starting at around 7.30pm. There will also be a line of burning braziers alongside the canal and a spectacular display of iron working in Britain's only working iron mill.

Tickets must be purchased in advance priced at £9 adults and £6 children aged 3 -16 years.
